PROFILE

Dynamic and results-oriented professional with **3 years of experience** excelling in the roles of **Data Analyst**, **Data Scientist**, and **Business Analyst**. Demonstrated expertise in leveraging data-driven insights to inform strategic decision-making, optimise operational processes, and **drive business growth**. Proficient in a wide range of analytical tools with a proven track record of delivering high impact solutions across multiple domains.

EMPLOYMENT HISTORY

DATA SCIENTIST II, Wolters Kluwer

Pune

Apr 2021 — Jan 2024

Strategic Data Analysis & Modelling:

- Developed a **Pricing Simulator** tool that assisted in determining pricing strategies for existing and new clients, predicting revenue based on various **pricing scenarios** to support strategic decision-making.
- Led month-end, quarter-end, and year-end reporting and closing activities from the **CIOx** part in ELM, WK, to update **monthly outlook**.

Cross-Functional Collaboration & Stakeholder Management:

- Collaborated closely with cross-functional teams to align **analytical findings** with organizational objectives.
- Functioned as an integral part of the team, **building positive relationships** and credibility within other areas of the organization like financial planning team, Sales Ops, Account Management, Product Development.

Business Process Optimisation & Visualisation:

- Identified opportunities for process optimisation through data analysis and automation, enhancing productivity. Designed visually compelling **dashboards** and reports using tools like **Tableau, Power BI, Einstein Analytics** to effectively communicate insights to stakeholders.

Mentorship and Team Leadership:

- Played a pivotal role in **mentoring junior team members** and interns, providing guidance and support throughout their projects. By fostering a collaborative learning environment.
- Participated in the annual **budgeting process** and supported strategic and **tactical planning**, ensuring alignment with organizational objectives and accurate financial forecasting.

EDUCATION
